

I Know You by © Katie More By Katie

When I first met you
I felt like I had known you forever,
telling you my secrets
and what I didn't want ever.
You listened to me.
I bet you thought I'd never end.
Who would have thought
we would become more than just friends.
Over a period of time
I got to know the real you.
A boy so caring and gentle
with a heart so true.
You've survived your life
with hurt and loneliness by your side.
I told you I'd never leave
because of the feelings I have inside.
I know you
like no one I have ever known,
and sometimes I wonder
what I'd do if you were gone?
So I have decided

time answers all.

If it is meant to be,

time will remove the wall.

I love the way we are together.

You can always make me smile.

Will it ever really be forever?

I guess I will have to wait awhile.

Time will reveal what lies ahead,

but always remember

what I have said.

Meeting you has changed my life,

and I really love you so.

The feelings I feel for you

I am never letting go.

Remember me always

and I will too.

I always think of

me and you.
