When I first met you  
I felt like I had known you forever,  
telling you my secrets  
and what I didn't want ever.  
You listened to me.  
I bet you thought I'd never end.  
Who would have thought  
we would become more than just friends.  
Over a period of time  
I got to know the real you.  
A boy so caring and gentle  
with a heart so true.  
You've survived your life  
with hurt and loneliness by your side.  
I told you I'd never leave  
because of the feelings I have inside.  
I know you  
like no one I have ever known,  
and sometimes I wonder  
what I'd do if you were gone?  
So I have decided

time answers all.

If it is meant to be,

time will remove the wall.

I love the way we are together.

You can always make me smile.

Will it ever really be forever?

I guess I will have to wait awhile.

Time will reveal what lies ahead,

but always remember

what I have said.

Meeting you has changed my life,

and I really love you so.

The feelings I feel for you

I am never letting go.

Remember me always

and I will too.

I always think of

me and you.
